

ST. JOSEPH INTERNATIONAL SCHOOL, RALAPALAYAM.

JULY 2025

BIOLOGY LAB VISIT

On 24th June, our Grade 1 students visited the Biology Lab for an exciting learning experience. They observed plants, insects, and simple lab equipment with curiosity and joy. The visit sparked their interest in nature and science. It was a fun and educational day for our little explorers!

CODING CLASSES

On June 24, our Grade IV students enthusiastically engaged in their coding practice sessions. They explored block-based programming and created fun digital projects. It was a productive and inspiring day for our young coders!

MATHS LAB VISIT:

On June 24, Grade 2 students visited the Maths Lab for hands-on learning. They explored numbers through fun activities and games. The session made math exciting and engaging.

POCSO MEETING:

On June 25, our staff members attended the POCSO meeting. The session focused on child safety, awareness, and legal guidelines. It was an informative and essential training for all.

HOUSE TROPHY:

On June 25, the overall championship trophy for the academic year 2024–25 was proudly won by the Green House students. Their dedication and team spirit led them to victory. Congratulations to all the champions!

ECA CLASSES:

On June 25, ECA (Extra-Curricular Activities) classes were conducted for our students. They actively participated in music, art, and sports sessions. It was a joyful break from routine academics!

LEUKODERMA PREVENTION

On June 26, our students took a pledge for Leukoderma prevention. The vow aimed to raise awareness and promote acceptance and care. It was a meaningful step towards social responsibility.

COMPETITION COMMITTEE MEETING

On June 26, the Competition Committee held a meeting with the Principal. Plans for upcoming student events and contests were discussed. It was a productive session focused on enhancing student engagement.

YOGA CLASSES

On June 27, yoga classes were conducted for our students. They practiced basic asanas and breathing exercises. The session promoted relaxation and physical well-being.

DRUG AND CHILD AWARENESS

On June 28, a Drug and Child Awareness Program was organized for our students. The session educated them on the dangers of substance abuse and the importance of staying safe. It was an eye-opening and valuable experience.

MSSC ZONE 7 SKATING COMPETITION

On June 28, our students participated in the skating competition organized by MSSC at Virudhunagar and made us proud by winning prizes. Their hard work, talent, and determination shone brightly on the rink. It was a moment of pride and joy for our school. Congratulations to all the winners.

DOCTER'S DAY CELEBRATION

On July 1, our KG kids joyfully celebrated Doctors' Day. Dressed as little doctors, they expressed gratitude towards healthcare heroes. The event was filled with smiles, fun, and learning about the value of care and kindness.

CODING CLASSES

On July 1, our Grade 5 students actively practiced their coding lessons. They explored new programming concepts with enthusiasm and creativity. It was a productive and engaging session for our young tech minds.

Toppers and bloomers meeting

On July 2, the Principal conducted a Toppers and Bloomers meeting. The session aimed to motivate high achievers and support budding learners. It was an inspiring and encouraging interaction for all students.

INTER-HOUSE QUIZ COMPETITION

On July 2, Blue House members conducted a mega inter-house quiz competition. Students participated with great enthusiasm and team spirit. The event encouraged knowledge, quick thinking, and healthy competition.

PET'S MEETING

On July 3, our PET arranged a meeting in preparation for the MSSC Throw Ball Tournament scheduled on July 5. Strategies, team selection, and practice plans were discussed. The session boosted team spirit and readiness.

MSSC THROWBALL TOURNAMENT

On July 5, the MSSC Throw ball Tournament was successfully held in our school. Teams from various schools participated with great energy and sportsmanship. The event was filled with thrilling matches and team spirit.

SAFETY DAY

On July 7, our Principal conducted a thorough inspection of the school's safety measures. Areas such as fire safety, hygiene, and emergency preparedness were carefully reviewed. The initiative ensured a secure environment for all students and staff.

LIBRARY COMPETITION

On July 9, a Library Competition was conducted by our librarian to promote reading habits among students. Participants eagerly showcased their knowledge and love for books. It was an engaging and enriching experience for all.

FROG MORPHOLOGY

On July 9, our Biology teacher conducted a live session on frog morphology using a real specimen. Students observed and learned about the structure and features of a frog firsthand. It was an exciting and educational experience for all.

STUDENTS COUNCIL MEETING

On July 10, a Student Council meeting was held to allot responsibilities to the members. Roles were assigned to ensure smooth functioning of school activities. The session encouraged leadership and teamwork among students.

CODING AND ROBOTICS MEETING

On July 10, our Campus Superior and Principal conducted a meeting on Coding and Robotics. The session focused on enhancing tech-based learning and planning future activities.

LANGUAGE TEACHER'S MEETING

On July 11, our Campus Superior and Principal conducted a meeting with the language teachers. The discussion focused on improving language skills and implementing innovative teaching methods. It was a productive session aimed at academic excellence.

COMPETITIONS

On July 11, our school staff conducted several competitions to mark Kamarajar's Birthday and World Population Day. Students participated in speeches, drawings, and quizzes with great enthusiasm. The events highlighted leadership, awareness, and creativity.

DISTRICT LEVEL CHESS COMPETITION

On July 13, the District Level Chess Competition was held on our campus. Our students showcased excellent strategy and focus, securing the 2nd prize. It was a proud moment for our school community.

PERIODIC ASSESSMENT - I

On July 14, we conducted the Periodic Assessment for our students. The exams were held smoothly, reflecting their learning and progress. It was a focused and disciplined day across all classes.

PRINCIPAL'S CHECKING THE EXAM

On July 15, our Principal conducted a thorough inspection of the exam halls and reviewed the students' answer scripts. The visit ensured smooth conduct of assessments and maintained academic integrity.

EDUCATIONAL DEVELOPMENT DAY

On July 15, we celebrated Kamarajar's Birthday as Educational Development Day. Students honored his contributions through speeches, activities, and tributes. The event inspired a spirit of learning and leadership.

TOPPERS AND BLOOMERS MEETING

On July 16, our Principal conducted a Toppers and Bloomers meeting. The session aimed to appreciate achievers and motivate other students to improve. It was an encouraging and goal-setting interaction for all.

YOGA CLASSES

On 17th July our students actively participated in yoga classes. They learned various postures and breathing techniques with great enthusiasm. The sessions helped improve their focus, flexibility, and overall well-being. Our students actively participated in yoga classes. They learned various postures and breathing techniques with great enthusiasm. The sessions helped improve their focus, flexibility, and overall well-being.

SILAMBAM COMPETITION

Our students participated in the MSSC Yoga Competition and won several prizes. Their dedication and discipline were truly commendable. We are proud of their outstanding performance and achievement.

YOGA COMPETITION

On 19th July, our students participated in the MSSC Yoga Competition held at Sivakasi. They performed with great confidence and won several prizes. Their achievement brought pride and joy to our school.

SHAPES ACTIVITY

On 21st July, our students did a shapes activity using colorful chart papers. They enjoyed identifying and creating different shapes creatively. The activity helped enhance their understanding of basic geometry in a fun way.

CAREER GUIDANCE PROGRAM

On July 22, our Principal arranged a Career Guidance Program for the future leaders of our school. The guest speakers, Mr. Gokul and Mr. Gokulakannan, who cleared the UPSC exam, delivered an inspiring and motivational speech. They also interacted with students and teachers, clearing their doubts and encouraging them to aim high.

COLORING ACTIVITY

On July 23, Grade 1 students did a fun activity by coloring shapes using colorful sheets. The activity helped them recognize basic shapes in an engaging way. It also improved their fine motor skills and creativity.

CODING CLASSES

On 24th July, our students enthusiastically attended their coding class and practiced coding using the Code.org platform. Their active participation showed great interest and creativity in problem-solving. The session boosted their confidence and strengthened their foundational coding skills.

EXPERIENTIAL LEARNING VISITED THE RJPM POST OFFICE

On July 24, our students went on an experiential learning trip to the RJPM Post Office. They observed the day-to-day functioning of postal services and learned about mail handling and delivery. The visit provided them with valuable real-world knowledge and hands-on experience.

SKILL DEVELOPMENT MEETING FOR TEACHERS

On July 24, our students went on an experiential learning trip to the RJPM Post Office. They observed the day-to-day functioning of postal services and learned about mail handling and delivery. The visit provided them with valuable real-world knowledge and hands-on experience.

THANK YOU.
