

ST. JOSEPH INTERNATIONAL SCHOOL

RALAPALAYAM

JUNE 2025

SCHOOL REOPEN DAY

The school reopened on **2nd June 2025**, marking the beginning of a fresh academic year filled with enthusiasm and energy. Students returned after the summer break with renewed excitement, and the campus was once again vibrant with laughter and learning. All safety and discipline measures were in place to ensure a smooth reopening. Teachers welcomed the students with engaging activities to ease them back into academic routines. The initial days focused on orientation, setting class expectations, and reinforcing core values. Overall, the reopening week set a positive tone for the months ahead.

ART AND CRAFT CLASSES

On **3rd June 2025**, Art and Craft classes were conducted across the primary grades to encourage creativity and self-expression among students. Children enthusiastically participated in various hands-on activities like paper folding, drawing, coloring, and basic craftwork using eco-friendly materials. The sessions were designed not only to enhance fine motor skills but also to build patience and focus. The joyful engagement of students reflected their love for art, and their vibrant creations added color to the classroom atmosphere.

ECA CLASSES:

On **4th June 2025**, Extra Curricular Activity (ECA) classes were conducted with great enthusiasm across all grades. The sessions included a mix of music, dance, storytelling, and indoor games, tailored to suit the interests of different age groups. These activities provided a refreshing break from academics and encouraged students to explore their hidden talents. The lively participation and cheerful atmosphere reflected the importance of holistic development in a child's growth. It was indeed a joyful and energizing experience for all.

YOGA CLASSES:

On **6th June 2025**, Yoga classes were conducted to promote physical well-being and mental calmness among students. The session began with simple breathing exercises followed by basic asanas suitable for each grade level. Students actively participated, showing great interest and discipline throughout the session. The calm environment and guided movements helped them feel relaxed and refreshed. Yoga continues to play a vital role in nurturing focus, flexibility, and inner peace among young learners.

PLANTS DAY CELEBRATION:

On **6th June 2025**, our school celebrated **Plants Day** with the aim of nurturing environmental awareness and love for nature among students. Children from all grades actively participated by bringing small potted plants and saplings. The celebration included storytelling sessions, drawing activities on nature, and a short awareness talk on the importance of planting trees. The tiny hands planting green hopes made the day memorable. This green initiative not only brought smiles to young faces but also sowed the seeds of responsibility and care towards Mother Earth.

INAUGURATION OF THE NEW BUS STOP

A proud moment for our school took place with the **inauguration of the new bus stop facility** on 5th June 2025. The event was graced by our esteemed Chief Guest **MLA. Mr. Thangapandian**, whose presence added great value and encouragement. The ceremony began with a formal welcome, followed by a ribbon-cutting and a brief address by the Chief Guest, highlighting the importance of student safety and convenience. Staff, students, and parents witnessed this special occasion, which marked a new step towards improving transport infrastructure for our school community.

PAPER FISH ACTIVITY

On **10th June 2025**, Grade 2 students enthusiastically took part in a creative **Paper Fish Activity** during their Art and Craft class. Using colourful paper, googly eyes, and simple folding techniques, the children crafted beautiful paper fishes with the guidance of their teacher. The activity was not only fun but also helped in developing their cutting, pasting, and hand coordination skills. The classroom came alive with vibrant underwater creations, and students proudly displayed their fishes with big smiles. It was a joyful learning experience that sparked both imagination and excitement.

ROLE PLAY

On **10th June 2025**, a fun-filled **Role Play Activity** on the theme “**Animals**” was conducted for **Kindergarten** students. The little ones came dressed as lions, elephants, rabbits, birds, and other animals, making the classroom feel like a mini jungle! Each child confidently acted out their chosen animal with sounds and simple lines, spreading joy and laughter. This activity helped enhance their confidence, creativity, and speaking skills. It also taught them to appreciate and understand the animal world in a playful, engaging way. The event was a delightful blend of learning and fun!

ECA CLASSES

On **11th June 2025**, Extra Curricular Activity (ECA) classes were held with great excitement and active participation from the students. The session included a variety of engaging activities such as music, dance, indoor games, and storytelling. Each activity was carefully planned to develop students' creativity, team spirit, and confidence beyond the classroom. Children participated with full enthusiasm, showcasing their talents and enjoying every moment. The ECA period brought a refreshing break from routine academics and created a joyful learning environment.

CODING LAB

On **15th June 2025**, a **Coding Lab session** was conducted for **Grade 5** students using the interactive platform **Code.org**. The session introduced students to the basics of block-based coding through engaging puzzles and games. With great excitement, students explored logical thinking, sequencing, and problem-solving skills while building simple programs. The user-friendly interface of Code.org made learning fun and easy to grasp. This activity not only sparked interest in technology but also boosted students' confidence in computational thinking. It was a successful step toward digital literacy and creativity in the classroom.

STUDENTS PARLIAMENT ELECTION

On **16th June 2025**, the school conducted the much-awaited **Students' Parliament Election**, fostering democratic values and leadership skills among students. The election process was carried out in a disciplined and transparent manner, where students from upper grades participated actively as both candidates and voters. Campaigning, speeches, and voting were done with great enthusiasm and respect. Ballot boxes and voter slips were used to give students a real-time election experience. The event helped inculcate responsibility, teamwork, and confidence in young minds, making it a meaningful learning moment beyond textbooks.

ECA CLASSES

On **18th June 2025**, vibrant **ECA (Extra Curricular Activities)** sessions were conducted to encourage students to explore their interests beyond academics. Activities like music, dance, drawing, indoor games, and storytelling were organized across various grades. Students participated with great excitement and showcased their talents with joy and confidence. These sessions provided a refreshing break from routine classes and helped in nurturing creativity, self-expression, and teamwork. The day was filled with enthusiasm, laughter, and lively learning moments.

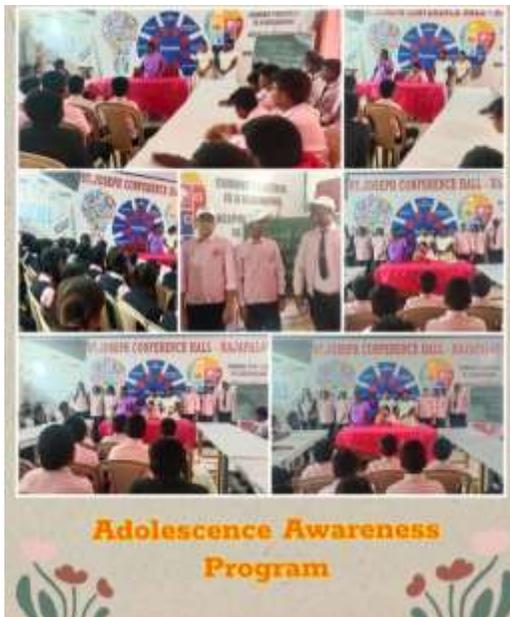

ROBOTICS LAB VISIT

On **18th June 2025**, the students of **Grade 2** had an exciting visit to the **Robotics Lab**, where they were introduced to the fascinating world of robots and technology. The young learners observed simple robots in action and explored how basic commands help machines follow instructions. With wide-eyed curiosity, they engaged in hands-on demonstrations guided by the facilitators. The session sparked their imagination and encouraged questions about how things work. It was a joyful and inspiring experience that laid the foundation for future tech learning in a fun and engaging way.

ADOLESCENCE AWARENESS PROGRAM

On **20th June 2025**, an **Adolescence Awareness Program** was conducted for students of **Grades 8 to 10** to educate and guide them through the physical, emotional, and psychological changes during teenage years. The session was led by a trained counselor who addressed important topics such as personal hygiene, emotional well-being, peer pressure, and self-confidence. Students participated actively, clearing their doubts in a safe and respectful environment. The program aimed to promote healthy habits, responsible behavior, and self-awareness, helping students to understand and navigate this important phase of life with

INTERNATIONAL YOGADAY

On **20th June 2025**, our school proudly celebrated **International Yoga Day** with great spirit and unity. Students and teachers participated in a special yoga session conducted in the morning, focusing on breathing techniques, basic asanas, and mindfulness. The highlight of the event was a **special yoga formation of our school name**, created by the students with perfect coordination and discipline. This formation symbolised unity, wellness, and pride in our institution. The event successfully promoted the importance of yoga for a healthy body and peaceful mind, leaving everyone refreshed and energised.

BIOLOGY LAB VISIT

On **23rd June 2025**, the little learners of **Grade 1** visited the **Biology Lab** for a fun and educational experience. The children were introduced to simple biological concepts like parts of a plant, insects, and the human body through colourful models and live samples. With wide eyes and curious minds, they observed specimens and asked many interesting questions. The visit was guided in an interactive way to suit their age, helping them relate classroom lessons to real-world visuals. It was a delightful exposure that sparked curiosity and love for science at an early stage.

SILVERZONE OLYMPIAD – MATHS LEVEL 1 PRIZE DISTRIBUTION

On **23rd June 2025**, a **Prize Distribution Ceremony** was held to honor the winners of the **Silver Zone Maths Olympiad – Level 1**. Students who had excelled in the Olympiad were awarded medals and certificates in the presence of teachers and fellow students. The proud winners received appreciation for their outstanding performance and sharp mathematical skills. The event served as a motivation for others to participate and challenge themselves in future competitions. It was a proud moment for the school, celebrating the academic excellence and hard work of our young achievers.
